# Advertising & Partnership Opportunities

---

## Website Affiliate Placement

Featured placement in our curated 'Top AI Tools' section on aifeed.run. Your tool is displayed with logo, description, and affiliate link — integrated naturally into editorial content, not as a banner ad. High-intent visitors are already in discovery mode when they visit this section.

Placement: Top AI Tools section · Format: Editorial card with CTA

## Newsletter Sponsorship

Sponsored placement in our daily AIFeed newsletter delivered via Beehiiv. Reach subscribers who have opted in specifically for AI news — the highest intent audience available. Newsletter mentions are clearly labeled as sponsored while maintaining our editorial voice and credibility.

Format: Dedicated mention · Platform: Beehiiv · Frequency: Daily

## Instagram & LinkedIn Content

Sponsored posts or story integrations on @aifeed.run Instagram and LinkedIn. Our branded graphics style (dark background, bold headlines, stat cards) creates highly shareable, native-feeling content. We write and design all sponsored content in our editorial voice — your brand benefits from our audience trust.

Format: Branded post or story · Platforms: Instagram + LinkedIn

## Affiliate Partnership

Performance-based partnerships through CJ Affiliate and direct programs. We integrate your affiliate link across website, newsletter, and social content. Only tools we genuinely track and recommend — maintaining editorial integrity and ensuring authentic promotion that converts.

Networks: CJ Affiliate, direct · Tracking: Full attribution
